## People Who Eat Potatoes

the pleasure of the time layer  
life is wonderful when I realize  
to disturb myself from anything  
and I ate everything and everything on the pig  
I just could never understand  
because people eat potatoes

they say it is full of water and sweet  
but I think the taste is essentially strong  
because I enjoy every morning and evening  
when after hard work in construction  
I take one meal of delicious potatoes  
so I enjoy it the way I eat it raw

people tell me it's dangerous to health  
but I don't care what others want to tell me  
because I enjoy living only one life  
and no one can convince me otherwise

food is my source of life and infinite happiness  
I live for some days of happiness and joy  
when I give love to sweet potatoes  
so everything around me comes to life in vain; suddenly  
I give love and a vow to potatoes  
where she will become my future wife

I make chips and various saltines from it  
but generally the fiercest love for me is  
when people eat potatoes anytime and anywhere  
and I avenge them and rejoice every day  
because they are actually trying out history at every moment  
and do not complain of her taste

I prefer potatoes to soups the most when I'm not frying  
because there is nothing more beautiful at the end of it all  
gather in one place there by the fireplace  
to be with family and rejoice in everything  
because the most important thing is laughter and jokes  
and that teaches me to tell all my children tomorrow  
yes once the holidays and tables are on the table  
everything is irrelevant from a fast, ugly life!
